Bob Butterfield, Editor

Roy Stoddard

It is sad for me to report that Roy Stoddard died on Wednesday following a long illness. Roy had been an active member of the Kiwanis for many years and his fellowship will be missed by all of us. Kiwanis was honored to have had a member and a friend such as Roy.

January 2, Program

Jerry Brady, sales director of WMT Radio station was the guest speaker at Wednesday's meeting. Jerry spent some time elaborating on his initial statement that 1973 was a traumatic year for newscasting.

During the early part of 1973, the news media was criticized to a large extent by the personnel in the White House for the supposed liberal bias of their news reporting. Much of this news was later to be proven correct as witnessed by the events of the past several months with regards to the presidential advisors and the Watergate affair. Jerry pointed out that there is always some natural conflict between the news media and the power structure and, generally, this conflict is healthy and understood by both sides and accepted for what it is.

Just as in a democracy it is the people's right to know, it is the job of the news media to point out. Radio newscasting serves a special need in most communities today by providing a different viewpoint from the newspaper, since only one newspaper is available in nearly all communities today. The right to alter or kill a newstory is still one of many unsolved problems in this field and will continue to be controversial.

Jerry then played taped excerpts of radio bloopers which were hilarious. Most of these bloopers were made by WMT announcers and were pure gems.

January 9, Program

Next week, Alen McIvor has arranged for Dr. Joe Kasper, Professor of Physics at Coe College to speak. Dr. Kasper will show a slide presentation regarding the famous Kohoutek comet.

Welfare Report

Bob Rush, Welfare Committee Chairman, determined not to be caught napping again, reported that despite rumors to the contrary, our renowned bowling team does not need a blood transfusion and in fact, the team has not lost a single game since before the holidays-- having played no games during the same time period.

Kiwanis Golden Checks

President Landis had a sample book of tickets, Kiwanis Golden Checks, for the members to review during the last meeting. As you remember, these are the books that contain tickets redeemable for free meals and entertainment after the books have been purchased, and for which our club will receive a commission for each book sold. (I don't know what happened, but all the tickets were gone by the time the book reached our table--pretty cover, though).

Anniversary

Ken Rudd had an anniversary last week. No birthdays were celebrated and no guests were present at the meeting.

Unkindness

Jim Oetkin went out of his way to say some unkind and unfair things about your mild-mannered Kiwanis editor last week. However, I attribute this outburst to professional jealousy and I promise to continue to remain forgiving and charitable to this rascal. I hope that he repents soon.

January 9 Program

Dr. Joe Kasper, Professor of Physics at Coe College gave a slide presentation regarding comets in general and comet Kohoutek in particular. Dr. Kasper was able to enlighten many of us unenlightened members with regards to those heavenly bodies and we thank Alan McIvor for making this program available to us.

January 16 Program

Tom Heabel will present a film entitled "The Body Builders." This interesting title refers to automobile bodies and relates to the work accomplished by General Motors Corporation from the inception to the production of a newly styled automobile.

At Last!!

On January 9, another club milestone was passed when, with full pomp and circumstance befitting the occasion, member Wayne Mead made an official token down payment on his 1974 first quarter membership dues. Our congratulations go to normally delinquent Wayne on this achievement. Ken Holvenstot, our long suffering treasurer, informs us that if Wayne will now pay his 1971 dues, he will be no longer in arrears. Keep going Wayne!!

Anniversaries

Anniversaries celebrated were J. Loyd, Glen Bender and Frank Rice. Jim Loyd and Al Gee also celebrated their birthdays last week. Jim attempted to short change our hungry duck but sharp-eyed president Landis was alert to this and, after a brief encounter, the duck was mollified. It is my understanding that Jim tried to deposit three quarters and an oatmeal cookie instead of the required amount.

Comets

Dr. Kasper remarked that the Kohoutek comet visits our area of the solar system only once in every 76,000 years. This was verified by O. Lawrence, but last time he said it was much brighter than it was this year.

Alertness

It has been brought to our attention that a few of the membership are not staying as alert as they should during some programs, especially those programs in which the lights are dimmed following lunch. We are all aware that alertness is the price of freedom and that dozing off is definitely not being alert. For this reason, a call is made upon all these somnolent members to stop nodding during these tranquil periods but rather to:

Rise as the cheerful chickadee
Doth greet the morning sun
And keep those peepers peeping
To join in all the fun.

January 16 Program - "The Body Builders" was the title of a film presented by Tom Heabel. This film, furnished by Fisher Body Division of GMC, dealt with the styling, engineering, testing and production of automotive bodies by Fisher Body.

This film was especially interesting to myself since I was employed by Fisher Body for several years both at the assembly operation at Flint, Michigan and at the G.M. Engineering Center at Warren, Michigan. In my opinion, the film was fairly factual, but I don't remember too much of the "personal" touch emphasized in the movie. It is pretty hard to give much of a personal touch when you are producing 90 automobile bodies an hour as we were at that time.

January 23 Program - Next week Ralph Blackford will bring us up to date on the happenings out on the farm. Mr. Blackford is a well known farmer living near Cedar Rapids. I am told that the last national corn picking contest took place on his farm. This should be an interesting program.

Food For Thought - Although man does not live by bread alone, the luncheon meal is an important part of the Kiwanis meeting and that age old problem of adequate nutrition was one of the main topics at Wednesday's meeting. It was agreed that a noon time meal of soup, sandwich and dessert would be acceptable to nearly all the members. So, as I understand it, this will be the general type of menu in the future with an occasional buffet type service for variety.

Reading this, it all sounds very simple, but unless you were present, it is difficult to imagine the great debate that evolved over the question - "Should we have a cup of soup or a bowl of soup?" This enigma generated all sorts of sub-problems. Maybe the solution would be a cup of soup with a small spoon, thus duping the members into thinking that the cup holds more soup. Does soup stay warmer in a cup or a bowl? Etc., Etc. It would be amazing to our poor non-member friends if they could just be aware of the intellectual depth of these discussions and repartee.

In any event, a major compromise was reached in which everyone will get a bowl of soup and those who only want a cup of soup don't have to eat all of their portion.

We were all shocked to hear that one member proposed that the dessert be deleted. This idea was immediately and energetically rejected by the membership. Imagine, no dessert!!

Other News - Mr. Robert Briggs was the guest of Dr. Herbst; Sgt. Dave Green was the guest of Bill Jameson. Rich Chandler celebrated his Kiwanis Anniversary.

The possibility of an interclub with the Central City Kiwanis was discussed. Someone suggested that our singing quartet be sent along to give the Central City Club a shot in the arm, but with our quartet, this would be more like a shot in the head (coup de grace). So, this suggestion was abandoned.

The bowling team is alive and well at Lancer Lanes.

Iowa

a place to grow

January 23 Program

January 26, 1974

Bob Butterfield, Editor

Mr. Ralph Blackford, a farmer with a large farming enterprise located north of Cedar Rapids, presented some ideas on the general farm situation in Iowa. Owner of between 1000 and 2000 head of feeder cattle at all times, Mr. Blackford noted that one third of the labor force in the United States is employed in an agricultural related industry. Some other points in his interesting talk:

- In 1973 the state of Iowa exported one billion dollars in agricultural forecasts.
- He feels that the price of beef will drop this spring, contrary to market forecasts.
- There should be a grain reserve on a world wide basis, both for emergencies and to stabilize the grain price.
- The rate of increase of corn production has started to drop and the total output will reach a plateau. The limiting variables being rainfall and sunlight.
- The demand for American farm products overseas is continuing to increase.
- The farmer is better off with no governmental controls.
- The large corporation owned farms cannot compete economically with the family owned farms.

All of these points were brought forth succinctly with some humorous yarns in between. Thank you, Howard Smith, for bringing us this fine program.

January 30 Program

Marcus Jackson, basketball coach of Coe College's championship team will be our speaker next week.

Guests

Harry Berg, guest of Tom Hanson; Floyd Booth, guest of Howard Smith; Rich Siewart, guest of Bill Jamison; Van Snow, guest of Al McIvor; John Horton, guest of Gene Young.

Welfare

All is well with the membership welfare per our Membership Welfare Chairman Bob Rush.

A Star is Born

It isn't often that you are fortunate enough to be at the premier performance of a new act obviously bound for stardom. But, we all witnessed this event at last week's meeting when comedian Kim Stevely and straight man Russ Mueller brought forth their new vauderville routine. You could tell that this dynamic duo had spent hours perfecting their act in the way that Russ always pretended to be bewildered by Kim's quick wit, but kept coming back for more, only to be chagrined by another verbal jab. We are all waiting impatiently for a return engagement.

Gastronomic News

The favorite, Roast Beef, won the sandwich contest with Rueben second. Major Adney has retained Attorney Colton to protest. Jim Loyd is checking his cookbook for potential copyright violations. And so it goes.

The big surprise was that after proposing that no dessert be served and causing a big ruckus, Bob Armstrong not only ate his scoop of ice cream, but tried to get a second.

Bob Butterfield, Editor

January 30, Program

Listening to our speaker last Wednesday, it became evident why Marcus Jackson, coach of Coe College's basketball team has been able to provide the leadership necessary for his winning record. By describing his outlook on the game of basketball to us, he conveyed his belief that the attitude and effort necessary to perform well in the game of basketball are identical to the desire and self-discipline required to successfully meet the challenges of life itself. The team effort, the personal self-confidence, the encouragement needed from outside sources, the environment--all of these items remain important to the basketball team and are required also in each of our lives.

I, personally, found coach Jackson came across as the type of coach it would have been a pleasure to play for. I predict a successful future for him in this field if he continues to be true to these ideals. Our thanks again to Alan McIvor for bringing us another fine program.

February 6, Program

The program next week will be about diamonds. As I understand it, a diamond expert will describe to us the types of diamonds, quality of diamonds and whether they are a girl's best friend.

Contribution to Kiwanis

On February 13, representatives from the Keyline Freight Co. will present to our Kiwanis club a donation of \$1000 to be used to further our work with juveniles. This donation was made possible by the good work our club has done in the past with the youth of our community and will make it possible for us not only to continue this work, but also to increase and better it in the future. We all have a responsibility that we should not take lightly in this respect. We should also carry a sense of pride in what our club has accomplished in the past. Please make a special effort to be present for this special event.

Board Meeting

The monthly board meeting will be held next Tuesday noon, Roosevelt Hotel -- all invited.

Quandary

Our club will receive 100 free books of Kiwanis tickets which we are free to dispose of as we wish. The board is looking for suggestions on the best way to disperse these books; so, if you have any good ideas on how to do this, contact President Landis or one of the board members.

Other

No anniversaries last week and no guests. Dick McConnell and Vern Perry (retired editor) both had birthdays. The Welfare Committee chairman said that everyone looked pretty good, but the bowling team captain remarked that the Welfare Committee chairman didn't look so great. Doc Fenner, noted extractionist, had the nerve to request a "good" article in the news bulletin for a change. Major Adney mentioned that he had picked up several good ideas for sermons at our table last Wednesday, having noted most of the capital sins in action. You can see that it isn't difficult to find some trouble at our meetings if you want to, or sometimes even if you don't want to.

A Member Extolled

We were all pleasantly surprised when one of the members took the opportunity Wednesday to extol another member, Jim Oetken for Jim's public editorial stand on some of the more controversial contemporary subjects. I am sure that it was with a great deal of pride that Jim contributed to the "dumb duck" for this fine eulogy. We are all behind you, Jim, especially us editors.

DOWNTOWN KIWANIS CLUB OF CEDAR RAPIDS, IOWA

INCORPORATED

WEEKLY NEWS BULLETIN

ROOSEVELT HOTEL WEDNESDAYS 12:10 NOON

Iowa

a place to grow

February 9, 1974

Bob Butterfield, Editor

Special Presentation Next Week - Next Wednesday representatives of the Darling Family Foundation will present a donation of \$1000 to our club. This donation is in support of our past and planned activities in the area of assistance to the juvenile members of the community. For this reason, all Kiwanis members are requested to make an extra effort to attend next week's meeting for this special presentation. We should be satisfied with nothing less than near-perfect attendance at this important event.

February 6 Program - Ms. Pat Quinn of the Diamond Information Center was the guest speaker on February 6. She presented a slide program describing many facets of diamond production, from the mine to the finished jewel. We all found out a lot about diamonds until some of the members questioned Ms. Quinn regarding the mark-up at the jewelry store retail level -- then, this information was not available.

February 13 Program - Next week Dr. Marilyn McIvor from the Linn County Juvenile office will speak to us with regards to the need for a juvenile detention center in our area. Dr. McIvor is the wife of member Alan McIvor.

Anniversary - Bill Pohorsky celebrated his Kiwanis Anniversary last week.

Guest - John Wagner of Central City was the guest of Howard Smith, Vice-president; D. Anton also visited the club on his way through town.

New Member Installation - The installation of new members will take place next Wednesday. Please take this opportunity to greet these new members and welcome them into the KIWANIS family.

Welfare Report - Bob Rush graphically described the serious malady of President Landis. According to Bob, Dick is suffering the pangs of oxygen poisoning attributed to the inhalation of oxygen when he switched from a bottle to a glass for liquid consumption. Our best wishes speed out to our incapacitated leader and we hope the panacea is discovered soon. His chances are 50-50 of regaining his former level of health.

Olympics - The annual Service Club Olympics will be held again this year on March 3, 10 and 12. Ken Hunter is chairman of the club's activities in the Olympics and we should have representation in all events. Entry forms were at each table Wednesday for the membership to sign up for one or more of the many events. I noticed that most of the members were signing up for the liar's contest, but unfortunately, we are only permitted a limited number in that event.

Sports News - It is not true that OSHA is going to close down our bowling team for being a menace to the health and safety of the bowling alley entourage. Captain Colton feels that R. Mueller's efforts to train the rest of the team to bowl left handed will cause the team to spurt ahead. Good luck, team!

February 13, Program - Dr. Marilyn McIvor, Case Work Supervisor for the Linn County Probation Office spoke to us regarding the situation with delinquent juveniles in the Cedar Rapids area. Dr. McIvor came across as a person completely dedicated to this work, a work that contains more than the usual amount of frustrations and defeats and with no sure measurement of success.

The number of cases brought to the Probation Office increased to 1899 during 1973. Of these cases one-third were girls. The average age was 14 and is steadily dropping from year to year. These cases involve more serious crimes now than in the past; crimes such as larceny, grand larceny, breaking and entering, vandalism, etc. Also, there has been a significant increase in the use of hard drugs which does not include alcohol and marijuana.

Dr. McIvor feels strongly that better facilities are required in Linn County for the treatment of these children. The idea that foster parents will be able to take care of these cases just isn't practical and the other extreme, that of jailing the children is unacceptable. These points were brought out in an actual case study of a young boy described to us. What is required? Other than more facilities we all must show more interest and concern. One way is to become a volunteer to assist in this area. If you are interested in this possibility, you should phone Dr. McIvor and offer your services.

February 20, Program - Leo Pasda, manager of the Cedar Rapids Astros Baseball club will speak to us.

Presentation - Executives of the Keyline Freight Co., representing the Darling Family Foundation officially presented the club with a check for \$1000 to further our work with juveniles. It was appropriate that this presentation was made the same day that we had the fine program with regards to juvenile delinquents.

New Members - Three fine new members were installed last Wednesday:

Alan McIvor - Al is Scotch and plays scotch music on a bagpipe. Maybe he can accompany our Kiwanis quartet some afternoon.

Rich Sieward - Rich has hobbies of motorcycling and playing bridge and was immediately signed up for the Inter-club olympics by alert Ken Hunter as a bridge player.

Bud Southward - Bud listed his hobbies in a priority sequence but Ken Hunter was unable to fit his favorite hobby into one of the events in the Olympics. Maybe next year we can broaden the Olympics to include Bud's favorite.

In addition, Bob Roberts was reinstated as a member. It was amazing to listen to all of Bob's activities on the state and local level. Bob is currently a member of our Kiwanis quartet and is probably that on-tune voice that we hear once in a while.

Olympics - As noted above, Ken Hunter is still looking for volunteers to take part in the Service Club Olympics. He managed to get a few involuntary volunteers last Wednesday but there are still some events that have to be filled.

Guests - Joe Stenner had Mr. Harry Johnson and Mr. Max Clark as guests.

Anniversaries - In his supreme effort never to be scooped again, we now find that Bob (Scoop) Rush has been turning in anniversaries and welfare reports on non-existent members. If it hadn't been for our alert president, this subterfuge may never have been discovered. Now we wonder how long has this been going on?

February 20, Program - The Cedar Rapids Astros baseball club was well represented by two articulate members on Wednesday. Don Bucheister spoke to us with regards to the fact that professional baseball is an important part of Cedar Rapids. Through the season, the team will generate approximately \$300,000 worth of business for the Cedar Rapids area. Don said that the Astros booster club in Cedar Rapids is a very necessary part of the success of the team, which last year finished in the black financially for the first time. The season begins on April 20 at Waterloo and the training starts March 15 in Florida.

The manager of the Cedar Rapids Astros, Leo Posada, then described some of his experiences as a manager of the team. It is his concept of his responsibility, that if he cannot make all of the players into major league caliber material, then he will at least help them to become good citizens. The average age of his team last year was slightly over 19 years, so when you realize that he has 25-30 young men of that age to maintain discipline on, then you can realize the magnitude of his problem.

In 1973, Leo didn't want to come to Cedar Rapids to manage, since it meant leaving his family in Florida; but this year he is happy to be back and improve on the team.

February 27, Program - A speaker from the Linn County Cancer Society will present the program.

Membership and Gumball Machine Drive - Steve Root and Jim Rasley held an important dual committee meeting with regards to the drive which will begin next Wednesday for new members and gumball machine placement. The rules for this contest will last for six weeks. Jim wrote the following piece for inclusion in this newsletter:

Approximately 425 months ago, Kiwanis went into the coin operated gum/candy business. For us it was like finding gold and for the less fortunate kids in this community, it was tremendous. But, we had to work the gold mine to get started. Coin machine locations had to be found and this Club did the job. Today we have about 350 locations that over the years have brought in to us over \$45,000.

How did we get those locations...We asked for them! Today, we could use more locations. They come the same way as before. ASK!

As far as possible, leads will be furnished for potential locations. But they do not exhaust the opportunities. Just keep your eyes open and ASK.

New Member - New member Larry Fishwild, (who is really an oldtimer having been on board since October), was officially installed on Wednesday. Larry has already gained the reputation for being late per a report from Joe Powers. Welcome to the club, Larry.

Birthdays - Birthdays celebrated were John Palmer, Mike Kennedy, Veren Haaland and Ralph Dresher.

Guests - John Holienbeck was guest of Rich Sieward; John Little was guest of Steve Root; Carson Veach was guest of Al McIvor, Harold Primrose was guest of Russ Mueller.

Olympics - We have entries in all events for the Olympics except for one man needed in partner pitch. Please volunteer to Ken Hunter if you can fill this vacancy.

Welfare Report - Jim Corell is in Mercy Hospital. Also, Bob Rush reported that President Landis hurt his pinky as an after effect of his previous illness.

February 26, Program - Two representatives of the American Cancer Society, Mrs. Sara Owen and Dr. James Stiles brought the club up to date regarding the problem of cancer in the United States. Emphasizing the hopeful side of this dreaded disease, it was pointed out that one-third of all cancer victims are now recovering through treatment and one-third of cancer victims could recover if their disease were diagnosed early enough through periodic physical examinations.

Surgery is still the "keystone" of cancer treatment according to Dr. Stiles, but the use of newly developed drugs is becoming more effective as a remedy, usually after the source of the cancer has been removed. Immunal research is now being performed to a large extent. This deals with the ability of the body to normally prevent cancer cells from forming without medication.

Dr. Stiles proposes three recommendations for each of us:

1. Annual physical check-up
2. Learning the seven warning signals of cancer
3. No smoking

March 6, Program Dr. Percy Harris will discuss "The Advantages of Having a Cable T.V. Company - Locally Owned".

Board Meeting - Board meeting next Tuesday - heavy things to take up per President Landis. All members are welcome.

Inter-club - There will be an Inter-club meeting in Mid March at Central City in order to give their club a boost. Also, possibility of an all day inter-club event is being considered by R. Landis.

Anniversaries - A. Helm, W. McAllister and D. Valentine.

Guests - Steve Alvin and John Little were guests of Steve Root.

New Member - Gumball Placement Contest - The contest was kicked off with a rousing speech by Steve Root last Wednesday. Details are included in the attachment with this newsletter.

Mid-West Conference - With Coe's chief protagonist, R. Armstrong, absent, Al McIvor was outnumbered and overwhelmed by an onslot of Cornell College propagandists, namely Messrs. Landis and Lawrence. It seems that Dame Fortune smiled on the Cornell Wrestling team and they won the Mid-west Conference by defeating Coe. To hear Orrie tell it, it was through his inspirational talk that they found the guidance needed to perform this feat. Still, I wonder if our Coe representatives are going to take this verbal exchange defeat sitting down (literally and figuratively). Arnold Herbst had better dust off that peace plan again.

Bowling Report - The results have been verified and it is now official that our 1972-73 bowling team finished 12th last year. The reason for this announcement is that I found an envelope in my desk that contained some prize money for Al Gravelie from last year that I had overlooked. Better late than never I always say.

March 6, Program - It appears as though the cable television proposal is still a controversial subject in Cedar Rapids, at least among some of the Kiwanis members. Fred Dumbaugh, representative of the Community Cable Co. of Cedar Rapids, described the status of the proposed television cable franchise and enumerated the reasons why he felt this type of venture was needed in this area.

After meeting with many local groups and after incorporating their ideas, the company submitted a proposed referendum to the city council. This proposed referendum, however, will not be voted upon by the citizens of Cedar Rapids, but rather the question of whether a non-exclusive franchise should be awarded to this company, the details of the franchise to be determined by the city council.

The advantages of the cable television system centers around the fact that more channels would be made available for public use. Opportunities for televising educational, government, local events and additional sports features would be possible. The company would be locally controlled and local financing is available according to Mr. Dumbaugh.

During the question period following the presentation, it became apparent that the fact that the referendum does not include details of the franchise may cause some voters to take a negative view of the referendum. All in all, another current and well presented program.

March 13, Program - "The Changing Scene of Cedar Rapids" presented by Harold Ewaldt.

Inter-Club - There will be an inter-club to Central City on March 19. We have sponsored this club and will provide the program to help give this troubled club a lift. Rumor has it that a few members plan a streak that night. Could be an intriguing event.

International Convention - The Kiwanis 59th International Convention will take place in Denver, Colorado on June 23-26. Any members interested in attending this convention should contact Dick Landis or any of the board members. Some funds have been budgeted to defray at least part of the expenses of the members attending.

Olympics - Any members not competing in the Olympics or any member not competing on either Sunday, have been requested by Ken Hunter to sign the roster at the YMCA on Tuesday at 5:15 or later. Call Ken Hunter if you have any questions. We have a good chance to win the Olympics this year and attendance (by signing the roster) will count as points toward winning.

Anniversaries - Congratulations to C. R. Fahrney on his anniversary - March 6, 1940.

Guests - Don Aanestad and Fred Shilhanek, guests of Dick Landis. Roy Karon guest of Jim Oetken.

Member Welfare - Jim Correll is still in the hospital and we all send him our best wishes.

By-laws Revision - A copy of the proposed by-laws revision and an explanatory note from the Board of Directors are enclosed with this Newsletter.

Iowa

a place to grow

March 16, 1974

Bob Butterfield, Editor

March 13, Program - The state of the City of Cedar Rapids is healthy and growing according to Harold Ewoldt our speaker last Wednesday. Representing the Chamber of Commerce, Harold discussed the changing scene in Cedar Rapids, a city which was compared to a living organism - one that is always in transition.

1973 was a good year for the economy of the city:

- Average income was \$4235 per capita.
- Average income per household was \$12,336.
- Effective income for the city was \$472 million.
- Retail sales were at the \$397 million level.
- 50 per cent of the wage earners were at the \$10,000 level or higher.
- There were 2300 newcomer families.

The most important event in 1974, according to Harold, was the approval of the airport bond issue. It was important for these reasons:

1. It was a result of a cooperative effort by both labor and management groups.
2. Further deterioration of the airport would have had adverse effects on business and employment.
3. It ended a series of bond proposal defeats at the voting place. A series which if continued, would have been demoralizing to the city planners.

1974 will be a great year in Cedar Rapids provided the raw material and the transportation facilities are available. Heating fuel is a problem for new enterprises but commercial building starts and expansions are at the highest level in the history of Cedar Rapids.

Many other points were brought forth to reinforce the idea that 1974 will be as good as or better than 1973.

March 20, Program - A speaker from the Carrollton Lake Side Alcoholism Center will present the program to us.

Kiwanis Quartet - The really big event of Wednesday's meeting was the performance of that stentorian tintinnabulation of bell-like cacophony, the Kiwanis Keystones. Performing for our assemblage after a limited engagement at the YMCA, this quadruple company of "minnesingers", regaled the audiophiles with choral renditions of old favorite concert scores. It is one of the grave injustices of our era to learn that this group was awarded only fourth place in the recent Olympics.

Bill Jameson informed me that the proper spelling of the groups title is Ketone - an organic compound with unique olfactory characteristics.

Injustice - Speaking of injustice, could you believe that Jim Oetken was awarded only second place in the Liar's Contest! Jim - you're number one prevaricator in our hearts and if you continue to keep practicing, you will win hands down next year.

Olympics - Our club finished fifth this year. Ken Hunter deserves our thanks for the fine job of organizing he did for us.

Membership Drive - The contest is now in full swing with much activity. Two new members were accepted at a special board meeting on Wednesday. We welcome Don Aanstad, Fred Shilhanek to our club along with John Little, who was accepted at the last board meeting.

Guests - Charles Law, guest of Bud Southard; Ron Boyer, guest of Al McIvor; Jim Redmond, guest of Bob Rush; Bill Steadman, guest of Gene Adney.

Anniversaries - Jim Manville, Clyde Sanborn and Dan Schwitters celebrated anniversaries.

Welfare Report - With Bob Rush reporting on non-existent members and getting members mixed up at the meetings, it is anybody's guess what the membership welfare is at the present time. I guess everybody is OK.

Bob Butterfield, Editor

Goodbye, Russ Mueller

As previously announced in the last bulletin, it had been discovered that our first vice-president, Russ Mueller, had planned to fade away discretely from our Kiwanis friendly, protective custody. Fortunately, our alert leadership discovered this plan and decided that it couldn't be allowed until a few open accounts were settled with VP Mueller. Therefore, on Wednesday, he was definitely on the spot.

Beginning the inquisition, Dick Landis expressed the feelings of some of the members by the presentation of several expensive gifts--the most valuable being a used Mickey Mouse hat which Russ promised to wear whenever he visited Disney World.

Russ's contribution to the demise of the bowling team last year was fully noted with an official proclamation and he was presented with a lifetime membership in the University of Wisconsin Streaking Club from his bowling friends--something he always wanted, I'm sure.

Pastor Osing, from Trinity Lutheran Church presented the hymnal rack from the Mueller pew--the rack with the slight indentation where Russ's forehead rested while he slept during the sermons. They have also retired from use and presented to him the coat rack hook knob as a sign of their affection.

Jim Loyd gave Russ a wind direction testing kit which is useful in Cedar Rapids but may or may not have an useable application in Florida. This kit consists of four vials of typical odor generating substances indicative of the four Cedar Rapids City quadrants, so that by matching the smell in the vial with the smell in the air, it is possible to know the wind direction.

Charlie McIntyre gave Russ a new chef's hat for recognition of his superior knack of flipping flapjacks during the last Kiwanis Pancake Day. Other gifts from the Chicago Bears and Cubs and the Astros were presented by Dick Landis.

We all were surprised when Russ was served with an unexpected warrant for his arrest by Attorney Joe Greenlief for some unpaid bills that Russ had apparently planned to skip town without paying. Even these bills gave us an interesting insight into the extent of Russ's pre-occupation with the world of sports--both professional and amateur.

After all this, Russ took time to express his feelings towards all of us. He became very emotional and it was difficult to understand what he was saying, but I did catch something about "getting even" some day.

In any case, goodbye Russ; we will miss you and we send our best wishes with you.

The Real Program

"Far Northern Horizon" was the title of a superb program presented last week. This slide and tape show described the various aspects of natural gas--its uses, its nature and its future. I thought that this program had the finest background music I've ever heard in a presentation of this type.

Next Week's Program

Mayor Don Canney--"From the Top of City Hall"

Guests

Darwin T. Lynner, Forrest Hummel and Craig A. Anderson, all guests of Kim Stevely; Bernard Tamans, guest of Bill Jamison; Rev. Richard Osing, guest of Dick Landis; Larry Cariserry, guest of Rich Siewert; Mrs. Doris Mueller, guest of Russ Mueller.

New Member

Bernard Tamans has become our newest Kiwanis member. Bernard is president of Laurence Press Co. He moved here about a year ago from Washington, D.C. where he was the executive director of a national association of printing companies. Welcome to our club, Bernard.

Iowa

a place to grow

April 6, 1974

Bob Butterfield, Editor

April 3, Program - Cedar Rapids Mayor Don Canney stood forth before our Kiwanis meeting and answered all questions ranging from the reason for the large "waste-baskets" in front of the Roosevelt Hotel to the establishment of priorities for capital programs in the city. Confident and at ease before our group, the mayor gave answers that indicated he is in control of his job and in touch with the municipal governmental problems in Cedar Rapids.

Some points:

- A large committee is presently investigating the Convention Hall program. This committee will report to Mayor Canney in the near future with recommendations regarding the construction of the Convention Hall complex as well as the financing.
- The heavy waste paper baskets (O. Lawrence's question) are for planting trees.
- There are approximately 1000 people employed in the city government and some are receiving less pay than they should. With the ceiling put on expenditures by the 30 mil property tax levy limitation, there is no way that the city council can raise the price of the services the city provides to cover the increase in wages needed to offset these inequities in wages. Mayor Canney thinks we are just seeing the start of problems with collective bargaining of city employees. Mayor Canney remains in favor of collective bargaining for public employees.
- The gasoline allocation for the city is now set at 62,857 gallons per month, even though the city has never used over 48,000 gallons in any month.
- He will refer the operation of the traffic light on Mt. Vernon Rd. and 38th Street to the public safety commissioner (another O. Lawrence question).
- The three capital improvement projects that were considered the most serious by a poll of 11,000 citizens were:
 1. Storm Sewers
 2. Air Pollution
 3. Airport Expansion

April 10, Program - The program on Holy Week will be "The Layman's Look at Lent" and will be presented by Alan Koepke - choral director at Jefferson High School and by Cedar Rapids Commissioner Richard Phillips.

Anniversary - Our well known bon vivant, Bob Rush, Chairman of Welfare, celebrated his Kiwanis anniversary this week. Bob also reported that all is well with the membership. You almost wish somebody would get sick so we could hear Bob's articulate verbage.

Guests - Visitors from Marion Kiwanis were: Fred Wade, Robert Hess and Ralph Mills; Virgil Bromfield was guest of Orrie Lawrence.

Elections - Elections for officers will be held on April 17.

Candidates are:

- For 2nd vice-president to take office immediately - Charlie McIntyre and Steve Root.
- For 2nd vice-president to take office in October - Rick Chandler and Bob Butterfield.
- For three board memberships - Jim Oetken, Bob DeMeulenaere, Dick McConnell, Kim Steveley, Tom Heabel, Wayne Mead and Bill Chatima.

It's All Meatloaf - Major Adney would like everyone next week to bring in their old telephone books for the Salvation Army. Our bowling team has moved way up to next to the last place per their new spokesman Doug Valentine. Members are needed to assist in the bicycle safety inspection on April 27 and for the bicycle rodeo on May 11 - contact Bill Jamison or Bob De Meulenaere.

An Easter Meditation

The following thought is from Rev. Glenn Bender:

We have to decide, Lord, what this journey of life is all about. Are the few years we have these beating hearts just a ripple in time? If that's true, then it doesn't make much difference whether we love or hate, whether we deceive others or trust. Lord, we need to be captured by the Easter faith that tells us life is more than this. If life is more than the survival of the strong, then we need to know the higher purposes that are being worked out. If life is more than a journey through which we stumble in order to join death, then we need to know what is eternal. Unless, Lord, You can show us that life is more than flesh and blood, we will continue to care only about our own flesh and blood. You came to doubting Thomas to prove that death doesn't end everything. So, come to us in this Easter season, and enable us to know that there are values and life eternal that make this life worth living, and make us to care for more than our own physical well being. This Easter, show us the way of the cross and the eternal life that shows us that loving others as Christ loved us is not futile. Through the Easter faith transform life for us from a rat race of physical survival to a glorious life of spiritual growth, renewal. . . . Resurrection. Amen.

April 10, Program

A dual lenten-Easter program was presented by Bob Dye and Steve Root. The first part consisted of the inspirational signing of Alan Koepke and Jim Locket, both instructors at Jefferson High School. Both men also related their personal experiences while trying to live and profess their Christian faith.

During the second part of the program, City Commissioner Dick Phillips discussed what the lenten season meant to him. He tries to live the Christian life and be a witness for Christ. His faith is based, "on the rock of the Resurrection of Christ", the Resurrection that we will all partake of some day.

Election Results

The election of new officers was held at the meeting last Wednesday and the following men were elected to serve for the next year along with Duane Anton.

Second Vice President (to take office immediately)
. Charlie McIntyre

Second Vice President (to take office in October)
. Bob Butterfield

Board of Directors Tom Heabel
Wayne Mead
Jim Oetkin

Our congratulations to all of these men.

Unruly Membership

A new election of officers was obviously in order following the meeting last Wednesday when President Landis completely lost control of the usually mild mannered Kiwanis crowd. It could be expected, I guess, when you have a lame duck chief executive. Maybe the new regime will get things back on an even keel with Duane at the helm. We all hope that Dick can weather the storm until next autumn. Perhaps we should also elect a half dozen or so Sargeant-at-Arms to help out for the rest of this year.

Major Error in Joe Greenlief's Phone Number

One of the highlights of Wednesday's meeting was the disclosure by Joe Greenlief that his home phone number as listed on the bulletin is wrong and for that reason Joe feels that nobody ever calls him. He further states that he has been trying to get this gross error corrected for two years with no results. In order to finally repair the damage, it is with pleasure that this bulletin discloses that Joe Greenlief's phone number of 398-4617 as listed on this bulletin is wrong, so don't call him on that number! (If you really want to call him, that is.)

April 17 Program

The 1973 World Series was replayed on film and Oakland won it again, although it was close.

April 24 Program

Folks Inc., a group of Linn Marr students, 14 voices plus 4 guitars, under the direction of Mr. Bryon Thompson.

Membership and Gumball Contest

The Jamison-Gravelle team won the membership-gumball contest and will receive a free steak dinner next Wednesday. The Head Table team came in second and will receive the regular Kiwanis fare at no fee. The third place winning team was the Joe Power-Jim Oetkin contingent which receives honorable mention. I would spell out the details of who got how many individual points, but Steve Root is still unscrambling the point count, or at least, he was still restructuring the results when the meeting ended. At last report, Dick Landis got the most points and Talmon Hanson was a close second, or vice-versa.

Anniversary

Howard Smith celebrated his 30th anniversary with Kiwanis On April 15. We all extend our congratulations to Howard on such a noteworthy event.

Guests

Guests were: Duane Kurrelmeyer, guest of Joe Power; John Hallenback, guest of Rich Siewert and Virgil Bromfield, guest of Orrie Lawrence.

Expose'

New member Don Aanestad reported that at the bicycle inspection last Saturday, President Landis absconded with a small boy's bicycle and not only flunked the bicycle safety test, but also cracked up the unfortunate child's bike. Shame! I hope our treasurer Ken Holvenstot keeps a good eye on any explained bike repair bills that may show up in the next couple of weeks. We salute Don for being alert and informing us of this event.

Membership Welfare

All is well with the membership as reported by Bob Rush is a duplication of his extraordinary presentation from the previous week.

DOWNTOWN KIWANIS CLUB OF CEDAR RAPIDS, IOWA

INCORPORATED

WEEKLY NEWS BULLETIN

ROOSEVELT HOTEL WEDNESDAYS 12:10 NOON

Iowa
a place to grow

April 27, 1974

Bob Butterfield, Editor

May 1, Law Day Program - Next weeks program will be held in conjunction with the Linn County Bar Association. The speaker for this program will be Mr. Fletcher Thompson, National Deputy Director of the FBI. Various city officials such as the Mayor, the City Commissioners, and the Linn County Sheriff have been invited to attend this meeting.

Last Week's Program - Folks Inc., a group from Linn Mar high school overwhelmed our club last Wednesday with their remarkable musical talent. Poised, showing a refined repertoire this group at one time in their program had the entire Kiwanis clapping and singing "Rock-a-My-Soul". Folks Inc. left to a standing ovation. We hope to see this group and Mr. Byron Thompson, the director, again. I wonder if our Kiwanis Quartet could learn the Rooster Song - there was a message there somewhere.

Guests - Duane Kurrelmeyer, guest of R. Landis, and Roland Yoder, guest of Larry Fishwild.

Anniversaries - Bob Armstrong, 1923; Blake Garske, 1969; Grant Williams, 1964; and Bob Nelson, 1954.

New Members - Three new members were officially welcomed into the club.

John Little, Minister at Ellis Park Church of God. John has two children and is active in the Ellis Park YMCA as reported by Steve Root.

Fred Shilanek, associated with Superior Press Co. Fred plays golf from "the first week in January until the last week in December" per R. Landis. Fred has five children and is already involved in the Kiwanis Bicycle Safety Program.

Don Aanested, Don has returned to the fold from a six month leave of absence that began three years ago. Don is associated with Ohio National Life, has two children and is very active at St. Mark's Lutheran Church. Don also has one credit to his name for bringing the Landis bike escapade to our attention.

Also, Duane Kurrelmeyer was accepted for membership at a short board meeting on Wednesday.

Special T.V. Program - It looks as though the law enforcement agencies have finally caught up with the shortcomings of certain Kiwanis black sheep. Newly elected board member, Wayne Mead, already in trouble, will have an opportunity to "Tell it to the Judge" on TV Sunday Night. Be sure to watch this program and find out what Wayne did this time.

Membership Welfare - Chairman Rush informs us that Ralph Drescher has a wheel chair and walker that anyone can have if they have a need for these conveniences.

Bowling Report - Larry Fishwild apologized that the bowling team only got two points last week. Don't feel bad, Larry, those are more points than we got all year last season.

Letter to the Editor - Dear Editor, Although I am not a Kiwanis member, I read your fine bulletin each week and I want to express my feelings of appreciation for this weekly treat. You must be a remarkable person to write as well and as accurately as you do. Signed: Avid Reader

Dear Avid Reader, Thank you for your kind and true words. We will continue on our crusade of truth and justice, encouraged by our many fans such as yourself. Signed: Editor

P.S. I hope to see you next weekend, mom, and please send some stamps so I can keep mailing the bulletin to you.

Vern Perry, Reporter

THIS WEEK-----May 8, 1974

Paul Somerville will talk to us concerning the goals, operation and future plans of Foundation II. Jim Manville has arranged to have Somerville visit with us on Wednesday.

BOARD MEETING-----Tuesday, May 7

Everyone invited. Board members expected! Noon, Roosevelt Hotel.

LAST WEEK

We joined the Linn County Bar Association in celebration of "Law Day" and were most fortunate in having as speaker Fletcher D. Thompson, Assistant Director of the FBI as our speaker. Appeared that the Downtown KIWANIANS were out-numbered by members of the Bar Association - and an impressive group of guests. The Mayor, Members of the City Council, Sheriff Grant and his staff, Court Judges, among other local and regional notables, turned out to celebrate the occasion, listen to a fine speech and, incidentally--welcome Cedar Rapids' new Chief of Police, Wallace N. LaPeters. (Chief LaPeters' appointment had been confirmed just prior to the meeting at the Roosevelt Wednesday noon.)

Attorney John Randall, Sr. introduced his friend, Assistant Director Thompson. Fletcher Thompson spoke about "The Unknown Man"----the local police officer, who, as a matter of everyday duty, lays his life on the line for you and me. 134 local police officers were killed in the U.S. last year trying to uphold the law. (The Cedar Rapids Gazette, May 1, 1974, page 3A discusses Thompson's speech in some detail.)

Fletcher Thompson was formerly assigned to the FBI Division Office in Omaha so is thoroughly familiar with the midwest, its people, and its problems.

Our special thanks to Bill Jameson for the absolutely tremendous job he did in organizing this special program.

DON'T MISS NEXT WEEK'S BULLETIN-----Editor Bob Butterfield will be back with his usual inspirational and "factual" presentation of news of goings-on in the Club.

GUESTS----Out-numbered the DTK members, but I'm sorry I couldn't find the guest register! Law, law enforcement and the Downtown KIWANIS did it up right last Wednesday.

Iowa
a place to grow

Due to the death of Bob Butterfield's father and his subsequent absence from the city, there is a mystery editor this week. We all express sincere sympathy to Bob and his family.

Last Week

I don't know how he did it, but Charlie McIntyre is sure one heck of a Program V.P. Imagine.....Governor Ray at a Kiwanis luncheon!!! How about that for class??? Pretty tough to follow a go-getter like that, Butterfield!!

Next Week

Another highlight of our Kiwanis year. The awarding of prizes for our Annual Essay Contest. This would be an excellent opportunity for all of you "members" who don't make attendance your #1 priority to come and see what the members are doing this year.

This project has been one that has received numerous accolades since Ed Colton started it a few years ago. These are our young people that we are honoring. Let's give them the thrill of a large turn-out.

Board of Directors meet June 4, 12 Noon.

You know Kiwanians can be divided into three groups: those who make things happen, those who watch things happen and those who wonder what happened. Where do you fall? Summer is a good time to start an activity habit---attendance is an activity, right Doc? The most valuable gift you can give another is a good example.

Well, I've stepped on enough toes. I hope I haven't messed up anyone's shine.

Bob'll be back.

WEEKLY NEWS BULLETIN

ROOSEVELT HOTEL WEDNESDAYS 12:10 NOON

Iowa
a place to grow

May 11, 1974
Bob Butterfield, Editor

May 8 Program - Mr. Paul Sommerville, Program Director for the Special Problem Center and Foundation II described these two areas to us at last Wednesday's meeting. Both programs seek to help the individual solve his problems regarding self-dependence on drugs; the Foundation II through a telephone crisis contact in which any person with a drug problem can gain advice and immediate counseling. The Special Problem Center makes available a more structured conventional therapy.

In 1973, 2400 calls for assistance were made at either of the two programs and at the present rate, this quantity will increase to 3000 in 1974.

Mr. Sommerville also described the nature, origin and use of drugs in general. Early attempts to study the drug users, centered around prisons and mental hospitals with the obvious biased conclusions that most drug users are either criminally inclined or mentally deficient. Mr. Sommerville's short presentation was followed by an interesting question and answer period.

Our thanks to Jim Manville for making this program available to us.

MAY 15, Program - Jim Steinbeck, Safety Commissioner, will discuss the responsibilities of the Cedar Rapids Police Chief.

New Members - Two new members were introduced to the club last Wednesday:

Duane Kurrellmeyer is the Treasurer of Iowa National Insurance Co. and has been a resident of Cedar Rapids since 1942. Duane has two daughters, one married and one in college. According to Joe Powers, Duane is a terrific bowler and if he will join our bowling team this means there will be one terrific bowler on the team.

Bernard Taymans is the President of Laurance Press Co. Bernard and his family recently moved here from Washington D.C. He also has two daughters and lists his hobbies as camping and farming.

Guest - Mr. Dale Sawyer was guest of Jim Manville.

Member Receives High Honor - While some members go out of their way to make their accomplishments and awards known, it is refreshing to learn through our informant, Wally Brown, that last week Kim Stevely was honored as having the best looking legs in the entire Monroe school district! Too bad there isn't a glamorous leg contest at the national convention in Denver for Kim (Betty Grable) Stevely to enter, he would win hands down or legs up or something like that.

Membership Welfare Report - Bob Rush did it again - another concise report. All members are well.

Iowa Kiwanis Golf Tournament - The Kiwanis District Golf Tournament will be held in Des Moines on June 18. Anyone interested in playing should contact Joe Powers.

Election - The election of two board members to fill the unexpired two year term of newly elected vice-presidents will be held in two weeks.

Anniversaries - Bob Blinn, 1951; Al Gravelie, 1959 (Al, did you know that Ed Colton not only had the nerve to eat your steak at the meeting, but also stood up for the applause you deserved for your anniversary?); Ernest Kosek, 1959; Ray Vaughn, 1958; and Frank Wilber, 1955.

May 15, Program - Jim Steinbeck, Cedar Rapids Safety Commissioner, gave us some personal vignettes regarding the newly appointed police chief, W. LaPeters and then went on to describe some of the problems, changes and opportunities he will face in the next several years.

Sheriff LaPeters comes to Cedar Rapids from Florida. He has five children ages from 2 to 10 years old. He is a very community minded person which is very important for Cedar Rapids and we will find that he takes part in many of the community activities. He is an author of several books, one dealing with the problem of collective bargaining for public employees.

Sheriff LaPeters' approach is that the patrolman on the street is the most important part of the police departments' community relations. This patrolman must be recognized as being a professional and must be proud of what he represents - an element that is missing in many instances.

Commissioner Steinbeck feels that the newly passed state law regarding compulsory collective bargaining of public employees is the toughest law in the United States and will present many new problems to municipal governments. He feels that more extensive use of existing data collection can be put into effect immediately to help with manpower distribution and response time. He also stated that most of his time has been spent in areas other than the police department, but most of the coverage by the news media has been related to the police department.

May 22, Program - Wayne Mead will present Kiwanis Industrial Arts Awards to winning students.

Incognito Members - The club is getting all mixed up with regards to who is who. Last week Ed Colton came disguised as Al Gravelie, ate his steak and took Al's deserved applause. This week Al pretended to be Ed and Ed came in with no visible identification - all very confusing. This paper calls upon all members to start being honest and admit who you are and don't pretend to be somebody else. It is difficult enough trying to make sense out of the rest of the meeting sometimes without this added handicap.

Guests - Visiting Kiwanian Dale Joseph from Battle Creek, Michigan - guest of Joe Powers; Bill Faches guest of Phil Klinger.

Anniversaries - Al Bickle, 1956; E. Colton, 1958; J. Palmer, 1968; and H. Vander Schaaf, 1966.

Golf Day - Call Joe Powers for information on Kiwanis District Golf Day.

Bike Rodeo - Bike Rodeo is rescheduled to June 8. Bill Jameson is counting on some volunteers to be present that day.

Rose Bowl - There has been a lot of talk about the possibility of our club sponsoring a float for next year's Rose Bowl parade centered around Kim Stevely's prize winning legs. Any member interested in being a part of this float please call Kim.

May 25, 1974

Bob Butterfield, Editor

May 22, Program - Last Wednesday, at the seventh annual Industrial Arts Awards Day, our Kiwanis Club expressed its appreciation for the continuing excellent achievements of the Cedar Rapids Junior and Senior High Schools in the area of Industrial Arts through the recognition of outstanding students and instructors. The recognition was manifested in the form of certificates of achievement presented to all outstanding students at every school. These certificates were accepted on behalf of all the students by a representative outstanding student from each school.

Industrial Arts encompasses a much broader range of skills than most of us were aware of. In addition to woodworking and metalworking classes, photography, electricity, electronics and printing are some of the opportunities students now have in Industrial Arts. The exhibits shown during the presentation illustrated the broad range of mature talents these schools are now developing.

It was interesting to find out that we are the only group in the area that gives recognition to Industrial Arts students and it was gratifying to hear the appreciation these students and instructors expressed.

It was also interesting to note that many girls are now taking these types of classes. Next year perhaps, we will be honored to welcome a female participant at this event.

May 29, Program - The club will meet in conjunction with the Chamber of Commerce annual Governor's Day Program with Governor Ray as speaker. Wives are invited.

Membership Welfare - Jim Manville is in Room 437 at St. Lukes Hospital with recurrence of a previous ailment. His condition is good according to Bob Rush.

Inter-Club - Next week, twelve Kiwanis members from Ft. Wayne, Indiana will be our guests for what is probably the most distant inter-club we have ever experienced. These men will arrive at the airport at 11:00 and need transportation from there to the Roosevelt. After the meeting, they plan to visit the Amana area.

Anyone who could provide transportation for these visitors during one portion of their visit or during the entire visit are requested to contact Grant Williams.

District Golf - June 18 is the date for the Kiwanis District Golf Tournament to be held at Jester Park in Des Moines. Contact J. Powers if you wish to participate.

Anniversary - Ed Bock, 1952.

What Has Happened? - What has become of all the real choice new stories that used to develop at our club meetings? I remember the good old days of the Armstrong-Lawrence feud and when Arnold Herbst won the peace award. I can recall when the club could be counted on to make some real newsworthy goof-up at each meeting and the news bulletin would practically write itself.

Has the summer doldrums set in? The editor of this news bulletin hasn't even been seriously insulted for a couple of weeks. Arise veteran members! Cast off your cloak of mildness and temperate behavior! Show these new members how the good old days of last autumn used to be! Help write this bulletin with some action at the meetings.

Even the bowling team is now winning. Is there any hope?

Iowa

Bob Butterfield, Editor

June 5, Program - The third annual Kiwanis Citizenship Essay Contest Awards program took place last Wednesday. This event, under the direction of H. Vanderschaaf is held to honor the essay contest winners from each of the area high schools. The essay contest title this year was "A Proposal for Creating Better Relationships Among the Citizens, Their Government, and the Media."

The winning students from each high school were:

Kevin Opheim	-	Jefferson
Joni Carman	-	Kennedy
Terri McGuire	-	LaSalle
Craig Votroubek	-	Prairie
Mark Nolan	-	Regis
Lila Locksley	-	Washington

Each of these students received a \$25 government bond and a trophy. The contest grand winner, Mark Nolan, also received a trophy for his high school.

Our appreciation and thanks go to the faculty advisors and judges from each school, the parent organization judges from each school and the finalist judges from the news media.

This is one of the worthwhile projects that our club is sponsoring. It is certainly inspiring to hear the maturity and depth of knowledge that these winners bring forth in their essays. There is also a lot of hard work involved in this program for the members of the Kiwanis Essay Contest Committee and the Kiwanis judges and our special thanks to these men, too.

June 12, Program - Frank Nye will discuss and review the new legislation passed this year in our state government.

Anniversaries - Frank Cosgrove, 1948; and Jim Luhrs, 1964. Jim also had a belated birthday celebration and bought the duck a birthday present. For some reason or other, Jim was not serenaded with a birthday song.

Membership Welfare - Noted Physician, Dr. Bob Rush, gave the membership a detailed analysis of Jim Manville's current ailment including a historical and chronological prognosis. We are pleased to learn that Jim is recovering splendidly.

Bike Rodeo - The long postponed rodeo will take place this weekend come rain or shine per Bill Jameson.

Kiwanis Extravaganza - Our club along with others has been invited to provide some entertainment for the Nebraska-Iowa Division meeting on August 9, 10, and 11. Singers, dancers and comedy acts are needed for this show.

Picnic - The club picnic will take place on June 30. The time and place to be determined.

Shadow - Far be it for this paper to ever print insinuations of any type whatever. This paper (as you all know) only prints the facts and then only after completely and thoroughly checking out these same facts. And every time this paper has made an error, a retraction has been immediately been made. (None so far due to no errors being made). With these points in mind, it is interesting to note that the mystery writer of last week used the nom-de-plume of ...The Shadow! This correlates with some mysterious happenings over the past several weeks. Item: It has been determined that one of our influential members recently received a free ice tea in return for keeping quiet about what is happening at the board meetings' Item: A nefarious attempt has been made to record confidential conversations at the weekly meetings by placing a 33 1/3 RPM phonograph beneath one of the tables and running it in reverse! Diabolical! Item: One of our officers said "Yes" when he was asked if he knew what "expletive deleted" meant! Item: One of the members was wearing a new shirt the same day that the luncheon price was increased! It is time that these malcontent members (especially The Shadow) step forward and admit guilt so that we can magnanimously forgive them if they turn states evidence.

a place to grow

June 15, 1974

Bob Butterfield, Editor

June 12 Program

John Palmer brought his friend Frank Nye as our speaker to renovate our thinking with regards to the last session of the Iowa legislature.

The 1974 legislative session was different from most of the past sessions in that the State was faced with a revenue surplus of between \$150 and \$200 million. Each state agency wanted its fair share of this surplus because of the austerity budgets these agencies were operating under during the previous year. So, even though the state agencies operate under a biennial budget, the legislature found itself in a rebudgeting position.

The legislature was also presented with a 44 point proposal by Governor Ray which included the proposed repeal of sales tax on food and prescription drugs; a proposal which had been originally advocated by the Democrats. At the end of the session, 33 of the 44 points had been adopted.

Frank Nye is disturbed by some of the actions taken by the legislature to bypass in one instance the Governor's veto and in another instance a constitutional procedure. He feels that these new tactics are of questionable legality.

Frank also described and discussed other events of what he feels was a most productive session. It is always a pleasure to have Frank address our group in what we hope will be an annual event.

Bike Rodeo

Prizes were presented to the three winners of the Kiwanis bike rodeo contest. Billy Campbell, 2nd grade Pierce was the winner in the kindergarten to 2nd grade class. Mike Schmatt, 5th grade Coolidge, was the winner in the 3rd-5th grade class. Michael Torno, 8th grade Franklin, was the winner in the 6th-8th grade class and was also the winner of the grand prize - a ten speed Schwinn Le Tour bicycle, presented by Police Chief Peters. All the prize winners and their families were the guests of Kiwanis for lunch.

Special thanks went to Sgt. Covington of the Cedar Rapids Police Department for his participation in this program. We also extend our congratulations to co-chairman Bob Mulenaerre and Phil Klinger and Bill Jamison for this very successful event, also to J. Stepanek for making the bike available.

June 19 Program

Bob Dye will present a program regarding the recent activities of the Youth for Christ in Cedar Rapids.

Bulletin Revisions

The bulletin is scheduled for reprinting of the membership addresses and phone numbers next week. If there are any errors, please contact Bob Dye for corrections.

Picnic

The Kiwanis picnic will be held for members and families on June 30 at Ellis Park-River View Pavilion from 1:00 to 4:00 p.m. Coffee, soft drinks and ice cream will be furnished by the club. Each family is requested to bring whatever food they want to eat; there will not be a potluck. Tom Heabel wishes to know how many will attend this event; so, give Tom this information at the June 19th or 26th meetings.

Kiwanis Golf

It is still not too late to join the golf contingent for the District Golf Tournament next Tuesday in Des Moines. Contact Joe Powers if you wish to play.

Guests - Harry Cole guest of John Little, Jerry Burroughs guest of Rex Schrader. Mystery guest at head table was later identified as Don Aanastad in attendance with no badge.

June 19, Program - Member Bob Dye brought us up to date with regards to the Youth for Christ Organization here in Cedar Rapids. This organization stresses the assistance of troubled youth on a person to person relationship with emphasis on the Christian principles.

With an annual budget of \$100,000 obtained through individual donations, Director Bob Dye and his staff of six members contact approximately 300 young men and women per week during the school year through the Campus Life program which deals with students and the Youth Guidance program which relates to non-students, primarily school drop outs. At the present time, Youth for Christ is working with 60 teenagers referred to the organization by the various courts.

Youth for Christ is not a part of the UCS in Cedar Rapids. This is because Bob Dye wishes to keep the program on a more personal basis as far as the donations are concerned, that is, to keep the people making the donation more aware of the direct effect of their contribution.

Another fine program from one of our own members. Our thanks to Bob Dye for making this work known to us.

June 26, Program - A presentation of a training kit will be made by Bill Jameson to the Boy Scouts of America Hawkeye Area Council. Accepting on behalf of the Council will be Council President, Don Hattery.

Kiwanis Picnic - The Kiwanis Picnic is still scheduled for Sunday, June 30 at the River View Pavilion in Ellis Park, from 1:00 to 4:00 P.M. Coffee, soft drinks, and ice cream furnished by the club. Let Tom Heabel know if your family will attend.

International Convention - Our two vice presidents, Charlie McIntyre and Duane Anton and their wives will attend the Kiwanis International Convention June 23-26 at "Tall and Terrific" Denver, Colorado. Our club has been asked to provide information at the convention regarding our successful gum ball machine program so Charlie and Duane will take part in that presentation before one of the convention committees. We send them off with our good wishes for an interesting and beneficial convention. We are looking forward to their report when they return.

Kiwanis Golf - The club was represented by the fearful, er, I mean fearsome foursome of Fred Shilanek, Rick Chandler, Gene Young and Sandy (Sandtrap) Batchelor. Competing against over 220 other golfers, it was encouraging to note that they had no comment when asked how they did. Maybe our golfers can give a bowling report next week.

Guests - Mrs. W.J. Jameson and Mr. Honaker were guests of Bill Jameson. Marilyn Schneiderman was guest of Bob Dye. Marilyn is employed by Direct Mailing and Printing Co., publishers of this report.

Membership Welfare - All is well with the members this week per Bob Rush.

DOWNTOWN KIWANIS CLUB OF CEDAR RAPIDS, IOWA

INCORPORATED

WEEKLY NEWS BULLETIN

ROOSEVELT HOTEL WEDNESDAYS 12:10 NOON

Iowa
a place to grow

June 29, 1974

Bob Butterfield, Editor

June 26, Program - As a normal extension of our Kiwanis club's continuing emphasis and interest in the youth of our community, a Cub Scout Leadership training kit had been donated to the local cub scout organization earlier this year. At Wednesday's meeting, this training kit was formally accepted on behalf of the cub scouts by Mr. Al Remling, a district leader of the cub scouts. This kit was then demonstrated by Mr. Remling for the edification of the membership. The presentation was made by Gene Young.

It was appropriate that the donation was made in honor of Mr. and Mrs. Ralph Drescher, both pioneers in the start of the cub scout program, not only in Cedar Rapids, but throughout the United States. President Landis dwelt for some length on the accomplishments of the Dreschers in cub scouting and we are proud to be associated with such dedicated members of our community and club.

Coincidentally, it was the Drescher's 50th wedding anniversary, so our congratulations were extended for that epic event too.

July 3, Program - Once each year, there appears an event of such magnitude and importance that to announce it via the written word tends only to reduce this immeasurable event to finite concepts that can be encompassed and gauged by the frailty of human concept. Such a program will take place next week on July 3. To put it another way, Charlie McIntyre is in Denver and he didn't tell me what next week's program would be, so your guess is as good as mine -- but I thought I would embellish it a little.

Memorable Date - President Landis noted that some of the achievements of the Dreschers were accomplished about 1938, the year that he had been born. This was also the year that Orrie Lawrence traded his hair brush in for a simonize kit. It must have been the last time we saw the \$2.00 sandwich at the Roosevelt too.

Guests - Dennis Alvarez and Bob Pyle, guests of Bud Southard. Bob Matteson guest of Dick McConnell.

Board Meeting - Important Board Meeting next Tuesday. Consideration of proposal for our club to be host for 1976 District Kiwanis Convention will be the major topic.

Picnic - Next Sunday, 1:00 p.m., River View Pavilion of Ellis Park. All families welcome. Phone Tom Heabel for additional information.

Membership - The welfare of our membership is in doubt, due to the unexplained absence of Bob Rush. It is good to note that Joe Greenlief is well though since he was at the meeting to voice his bi-monthly complaint about having the wrong phone number listed on the bulletin. Maybe it would be easier to have Bell Co. change the phone number to match the bulletin.

Golf Results - Our golf team still doesn't know how they did at the recent district golf tournament. The officials told our team that they would be called if the team was one of the winners. Fred Shilanek, team spokesman, has been sitting by the phone for two weeks now waiting for this call. Maybe it's time to give up, Fred.

Other Information - Did Any of the other members notice that President Landis brought his glove and bat to the meeting Wednesday? He thought we were having the Chicago Cub scouts for the program. Don't give up, Dick, you might make the team yet.

Invitation - In an unusual show of altruistic benevolence, Bob Armstrong invited all members to visit the recently poured 20th floor of the Cedar Rapids Tower. Since the elevator installation hasn't even been started yet, it is doubtful that this no-strings attached offer will be accepted by many of our mostly moribund membership. We thank Bob for this thoughtfulness and in the same context we wish that a million Birds of Paradise roost each night atop this same edifice.

Bob Butterfield, Editor

July 3 Program

Mr. Paul Darling, vice-president of marketing for Iowa National Mutual Insurance Co., presented a program dealing with "no fault" automobile insurance. No fault auto insurance was first instituted in the state of Massachusetts and is now in effect in various forms in approximately 19 states. The Federal Statute, Senate Bill #354, has passed the senate and is now pending in the House of Representatives with passage doubtful for this session.

While some states have particular local problems that could cause no fault insurance to have some advantages, Mr. Darling felt that Iowa does not need the no fault type of coverage at this time. This was verified by the charts of statistical data shown by Mr. Darling.

It was also interesting to note that all of the states that presently have no fault insurance carry some maximum level beyond which the injured party may proceed to recover damages from the other person's insurance company. This maximum level varies from \$500 to \$1900 depending on the state. So, really the "no fault" term is misleading.

Duane Kurrelmeyer brought this fine program to us.

New Board Members

At Wednesday's meeting, Bob DeMeulenaere and Bill Chadima were elected by acclamations to fill the unexpired terms of board members. Our congratulations to these two gentlemen.

July 10 Meeting

July 10 meeting will consist of the various committee chairmen reporting to the membership with regards to their committee's activities.

1976 District Convention

The Board of Directors voted to invite the Nebraska-Iowa Kiwanis District to hold the 1976 district convention right here in Cedar Rapids, with our club being the host. We plan to send a contingent to the district convention in Ames on August 9-10-11 to formally extend this invitation. This will be quite a project for our club and will require the enthusiasm and backing of all members.

International Convention

Duane Anton and Charlie McIntyre reported to the club regarding their trip to Denver last week for the International Convention. They both expressed the idea that it is very important for the club to become more involved in Kiwanis activities at the Regional and International levels. They also were impressed by the excellent participation of the over 5000 delegates in all the convention activities.

New Record for Editor

Will the chronic malcontents please note that the editor of this paper has taken special pains with this issue to only say nice things about everybody and not include even a little bit of sarcasm. I thought I would try it once but it is pretty tough keeping all this ill will bottled up inside and I don't think I'll do it again. It's kind of against my nature.

PLEASE NOTE: The other side of this bulletin is a proof of the revised membership listings. Call Bob Dye if you notice any corrections that need to be made: 363-9667.

Bob Butterfield, Editor

July 10 Program - Last Wednesday timely reports were given to the membership by some of the various club committee chairpersons regarding the status of their committees as follows:

Gene Adney, Interclub - not much activities from this committee, but next year promises to be better with more interclub visits.

Clarence Fenner, Attendance - after the club did exceptionally well in attendance figures the first half of the year, the attendance has slipped during the next several months. To show that he wasn't fooling, that very same afternoon, Doc Fenner caused the house of one of the absent members, Glenn Bender, to be struck by lightning. I understand that anyone who misses next week will be struck with a toothache.

Wayne Mead, Youth Programs (Industrial Arts) - the Kiwanis Industrial Arts program continues to be very successful and is one of the few programs of its type in Iowa.

Howard Vander Schaaf, Essay Contest - the essay contest has become an important annual event in some of the area high schools and this Kiwanis sponsored program avails an opportunity for some high school students to gain recognition in scholastic areas not otherwise available to them.

Jim Oetkin, Youth Programs (Big Brother Program) - our sponsorship of this major endeavor is progressing on schedule. The major portion of the planning stage will take place this year from September through December when the survey of the communities' needs will be made and analyzed.

Steve Root, Membership - it is necessary that the club bring in approximately 25 new members each year in order that the membership level remains constant. However, in order to become an energetic, progressive organization, the membership should increase.

Jim Rasley, Gumball Placement - the sale of gum through the sponsorship of gumball machine placement remains an important source of funds for the club. Our club has increased the quantity of gum ball locations by 10 per cent during the last year and this is excellent.

July 17 Program - A slide tour of 1974 Europe will be taken by the membership next Wednesday. These slides should renew old acquaintances for many of the members.

Guests - Don Davidson, guest of Dick Landis.

Welfare - Bob Rush, returning from an unreported location, reports that Bob Blinn is in the hospital. Our best wishes for a speedy recovery to Bob Blinn.

1976 District Convention - If our club is truly interested in sponsoring the 1976 district convention in Cedar Rapids, we must have a representation of at least 20 members at the 1974 district convention in Ames on August 9, 10 and 11. There is no reason to delude ourselves that this goal will not take a serious effort to obtain and will not take a large amount of work to fulfill if obtained. We can indicate our desire to the district members, as well as to each other by attending this year's convention.

Phone Dick Landis this week and join up for the convention. If not enough members are interested, the idea of 1976 sponsorship will be dropped.

Tomfoolery - The dynamic duo of Gene Young and Lee Taylor performed short selections from the Marx Brothers "A Night at the Opera," highlight being an amputation of Taylors cravat. It is a good idea to take our mind off that singing.

Bulletin Error - Ralph Dresher had to make a big deal about getting a bulletin with no printing on it. Rumor has it that he was half finished reading it before his wife pointed out to him that the words weren't there. Probably more interesting than most bulletins, though.

Toupee Touche - Member O. Lawrence wore his Shirley Temple toupee to the meeting last Wednesday. Now that the air conditioning is on at the Roosevelt, Orrie has trouble with condensate forming on the top of his noodle, so this above mentioned addition was necessary. Some members felt that something that covered the entire head like a ski mask would be a further improvement but, Orrie! This editor doesn't feel that way at all!

July 20, 1974

July 17, Program - The slide-photograph tour of Europe last Wednesday was a treat for the members. Presented by Gail McIntyre, daughter of Charlie McIntyre, this presentation took us on visits to some of the attractions in France, Italy, Switzerland and Spain. Miss McIntyre has a fine eye for the most interesting sights, capturing much of the detail and beauty that most of us miss when we try photography ourselves.

Gail McIntyre was part of a group of 19 students from Washington and Regis high schools that toured Europe for 20 days this summer. This tour had been organized annually for high school students by Mr. Richard Hubicek, an instructor at Washington. This 1974 tour however, will be the last.

July 24, Program - Chief Ken Anderson from the Cedar Rapids Fire Prevention Bureau will give a slide presentation on survival in a multistory building fire.

Guests - Chuck Scott, guest of Rick Siewert; Ray Moore, past Kiwanis president, guest of Ron Moore; Bill Griffith and Bill Reilly guests of Charlie McIntyre; Bill Wieders guest of Bill Jameson.

Anniversaries - Bob DeMaulenaere and Rex Schroeder.

Detente - It was pleasant for all of us to see the accord and unison with which the President and Vice-President conducted sections of the meeting on Wednesday. To visualize the concord, harmony and unanimity shown by our top two officers would have been an inspiration to any of the members, and if you were absent, you missed a visual treat. The fact that they were handcuffed together by sleuth Lee Taylor may have had something to do with this phenomena.

Membership Welfare - Dr. Bob Rush gave us a detailed analysis of one of his many noteworthy cases as part of our continuing seminar on modern medicine. Also, we were happy to hear that Bob Blinn is returning home from the hospital.

District Convention - Although the response has improved, more members are still required to attend the district convention in Ames on August 9, 10 & 11. As noted by E. Colton, attendance on either August 9 or 10 for a single day would be helpful. Please phone Dick Landis if going.

Newspaper Contest - The board of trustees of this fine bulletin, has announced a contest open to all Kiwanis members. In order to enter this contest, you must finish this sentence in 100 words or less:

"I think our Kiwanis news bulletin is tremendous because...." First prize will be a can of pickled Zucchini, second prize will be a Kennedy half dollar and third prize will be an all expense paid weekend for ten camping on the front yard of the President Landis estate. All entries must be postmarked before Halloween and must contain ten dollars cash to defray handling costs. No checks accepted.

I am sure all you literate members should find it easy to join this fun and I am looking forward to judging these entries in the usual fair and impartial manner. For you illiterate members, have someone else write for you or draw a picture yourself. The important thing is to send in the money.

CHARTERED DECEMBER 9, 1910

DOWNTOWN KIWANIS CLUB OF CEDAR RAPIDS, IOWA
INCORPORATED

WEEKLY NEWS BULLETIN

ROOSEVELT HOTEL WEDNESDAYS 12:10 NOON

Iowa
a place to grow

July 27, 1974
Bob Butterfield, Editor

July 24, Program - Ken Anderson, Chief of Cedar Rapids Fire Prevention Bureau gave a slide presentation with regards to steps that should be taken when a fire occurs in a multi-storied building. This interesting program, based in part on an actual hotel fire in Florida, stated that nearly all of the deaths in a multi-storied building are caused by smoke and gas inhalation, not by the fire itself.

The members at the meeting gained useful information regarding the actions required. For members not present, I would recommend that the brochure "Operation Adept" be obtained from Chief Anderson.

July 31, Program - Mr. Hal Walters President, Junior Achievement of Cedar Rapids, will describe the current goals and activities of J.A.

Guest - Bill Riley was guest of Gene Young.

Anniversary - Gene Young - 1972.

District Convention - Still not too late to sign up for the important district convention to be held in Ames on August 9, 10, and 11. R. Landis is coordinating this event for the club.

Belated Award Mention - I forgot to mention last week but Kim Stevely, well known back porch designer, received an important award from the Kiwanis Club on July 17. This award, a metal vessel filled with the dupaceous fruit of the Olea europea tree, was given for some reason which I didn't understand then and still don't understand now. In fact, if anyone can give me one reason why Kim Stevely or any other member as far as that goes should get any award at all I will print it in this paper.

Membership Welfare - Bob Rush was faked out again and forgot to make his weekly report but it is my understanding that Frank Cosgrove is sojourning in one of our hospitals. We wish Frank a swift return to our meetings.

Thought for Today - This inspirational message was given to us by one of the members:

"I felt sad because I had no shoes until I met a man with no feet."

"I felt sad when my hand hurt until I met a man with no hands."

"I felt sad because I couldn't carry a tune until I heard Lee Taylor and Gene Young sing."

There has to be a message there for all of us.

July 31, Program - The Junior Achievement of Cedar Rapids was ably represented by President Hal Walter and Executive Vice President John Ahart. The program they presented was a newly developed promotional slide presentation that will be used for recruiting high school students for J. A. this fall.

The Junior Achievement concept is based on the belief that in an area of free enterprise, with free men, it is essential that there will be economic justice. In order to assist in this accomplishment, the students involved in the voluntary J.A. program are given an opportunity to start and operate their own companies, beginning with the raising of capital, continuing through the production and marketing phases and finally closing out the companies with the disbursement of assets and retained earnings.

In Cedar Rapids, J.A. has been active since 1965. In 1973 there were 15 companies in operation by the students. This will be increased to 21 companies with 315 active students in 1974. Each of these J.A. companies is sponsored in turn by some local business in order to provide technical assistance and guidance.

The Kiwanis individual members were requested to aid this worthwhile program by their efforts within their own businesses.

August 7, Program - Robert L. Johnson will discuss the Bi-centennial activities for Cedar Rapids.

Anniversaries - John Kennedy - 1942; Wally Brown - 1970.

Guest - Don Davidson was guest of Dick Landis who was not there.

Board Meeting - A very important board meeting will be held next Tuesday noon - Roosevelt.

District Convention - Our club will not make a formal presentation at the District convention of August 9 - 10 - 11 because of the small number of members able to aid in the promotional and planning for the 1976 convention on a smaller scale. Members planning to attend should go to the Chamber of Commerce office and obtain the special gold colored sports jackets to be worn at Ames.

Dr. Rush - It is time to pay proper tribute to our Welfare Chairman Dr. (Honorary) Robert Rush. After pulling many of the members through some usually terminal ordeals during the past several months, Dr. Rush reached the apogee of his career with the brilliant diagnosis and ultimate return to good health of Frank Cosgrove.

Many members probably don't realize that Bob Rush has had absolutely no formal medical education and prides himself for the fact that he has refused to read any medical books. He has gained all of his renowned ability by watching The Dr. Marcus Welby T.V. Program and by the trial and error method on various hapless patients that fate caused to fall into his clutches.

Dr. Rush was instrumental in performing one of the first broken leg transplants. I hope that we will be able to have him write an occasional column for this news letter next year; so if you have any ailments, drop us a line and we will pass the information on to our welfare chairman.

August 21 Program

Bob Butterfield, Editor

Vern Perry, Ace Reporter

Dave Shay from WMT TV gave us a commentary on the background of the daily newscasting here in Cedar Rapids. Dave has been with WMT for 15 years having moved to this area from station WOW in Omaha following graduation from St. Olaf College and post graduate work at the University of Minnesota.

It is always a problem choosing which news items to show or to describe on the nightly news casts according to Dave and Jim Oetkin. There is plenty of discussion among the staff members and sometimes some disagreement about just what news should be included. They try to be completely objective in their choices and it was interesting to note that Dave has never had any overt interference from the station management during all his years of newscasting. This is in contrast to some of the claims made by other outside interest groups.

Dave feels that they usually get good response from the listeners and viewers complete with questions and comments regarding the coverage or lack of coverage of news items. They appreciate this feedback, but try not to let it affect their objectivity regarding the news coverage.

It seems as though there is quite a bit more to this news business than just reading a news release and we thank Dave for making this known to us and thank Jim Oetkin for bringing this good program to our club.

August 28 Program

President Landis will bring his father-in-law from Norway (the country, not Norway, Iowa) to visit with us about all the news in Scandinavia.

Ten Pin Volunteers Needed

Those merry madcaps of the mahogany have returned to haunt us again for another season of frustrating futility, failure, disappointment and disaster; and they are desperately searching for more members to join in the "fun". To put it another way, Ed Colton wants to know if anyone is interested in joining this notorious team of bowling banditos this season. Any bowlers, athletes or other masochists should phone Ed and get on the team. He guarantees that it will be an interesting season.

Membership Welfare

I understand that Howard Smith is now in Rochester, Minn. undergoing some tests. We hope that he gets back to our meetings again soon.

Guests

Bill Logan, guest of Vern Perry; Dr. Ralph Dusek, guest of Bob Armstrong and John English, guest of Jim Oetkin.

The End in Sight?

It has been prophesized all over the place that the end of all things is near when the lamb lies down in peace with the lion. Well, we can't be very far from that point in time because at the last meeting Bob Armstrong and Orrie Lawrance actually agreed on something. This is a novel occurrence that has never occurred before. It matters not what they agreed upon, the important outstanding thing is that they did agree. Repent brethren, the end is near!

Letter to the Editor

Dear Editor,

For years, I have wanted to give a program to the Downtown Kiwanis Club. You see, I am a Zeppelin test pilot and for my program would inflate my craft and fly it around to the utter amazement and enjoyment of your membership. However, in order to be assured that my journey to Cedar Rapids would not be in vain, I must be guaranteed a reliable source of hot air available for my needs. Please advise me if I should come. Sincerely yours, Graf

Dear Graf,

Feel free to come to any of our meetings. I absolutely guarantee you that you will have more than enough. Sincerley yours, Editor.

Bob Butterfield, Editor

August 28 Program - We were honored to have as our speaker last week Mr. Tregg Saxagaard, the father-in-law of Dick Landis. Mr. Saxagaard, who is visiting our area from Norway, spoke to us first about the status of service clubs in Oslo and then discussed with us the current happenings in the political and social areas of Norway.

Mr. Saxagaard is a graduate engineer and is recognized as an expert in the area of asphalt engineering, an occupation he has been active in for over 41 years. He was born in Norway above the Arctic Circle and is the past president of one of the Lions Clubs in Oslo.

With regards to service clubs in Oslo: The service clubs meet in the evening usually on a monthly or semi-monthly basis with no meetings during July or August. The meetings consist of committee reports, a speaker and then a supper. Although the meetings are held only on a monthly basis, there are plenty of activities in which the club engages outside of the meetings. A listing of current activities was given by Mr. Saxagaard and it was very impressive.

With regards to Norway: Norway comprises an area of approximately 125,000 square miles of which 72% is bare mountain range and 25% is forestland. The 4 million inhabitants are located on the remaining 3% of the area. The parliament is elected every four years and consists primarily of the Labor-socialists party and the Conservative-liberal party. There is a 20% sales tax, a "steep" income tax and a high property tax; all of which are required to generate the funds for the extensive social welfare programs of Norway such as free medical and dental care, free schooling through college and government financed pension programs, to list a few.

This was a fine program and we thank Dick Landis for making it possible for us.

September 4 Program - Rev. Russell Striffler, the Director of Chaplaincy at St. Luke's Hospital, will speak about "Death with Dignity". This program will describe the problems of the patient and family when the illness is terminal. Some questions to be discussed are - "Should the patients life be prolonged?", "Who should decide?", etc.

Guests - Mary Ann Kucera, candidate for Cedar Rapids school board, guest of Ron Moore; Jon Satrun and Dave Jahr guests of Rich Siewert; Russ Landis guest of Dick Landis. It was noted that Russ Landis is much more handsome than Dick.

Anniversaries - Orrie Lawrence - 1931; Vern Perry (Ace Reporter) - 1970; Sandy Batchelor - 1964 and Wally Brown - 1970.

Membership Welfare - Howard Smith is at St. Mary's hospital in Rochester.

Board Meeting - Next Tuesday at Roosevelt.

Glenn Bender - Rev. Glen Bender hit the news scene again when he was accused of being the tip off man for a tent stealing ring. If you need any character witnesses Glen, I am sure there are one or two members that are willing to volunteer their services. The coincidence is suspicious, though.

Editor Honored Again - Your unassuming, humble editor was again honored at last week's meeting with an unexpected presentation made by that dissonant duet of Gene Young and Lee Taylor. In appreciation of this honor, the following poem is dedicated to them:

Music soothes the savage beast
Or so the learned sages say,
But I bet that they have never heard
Our discordant duo play.

Bob Butterfield, Editor

September 4, Program - The program presented at last Wednesday's meeting was probably the most profound that we have had the pleasure to hear for a long time.

"Death with Dignity" - This phrase becomes a most serious thought for all of us to contemplate. Our speaker, Rev. Russell Striffler, Director of Chaplaincy at St. Luke's Hospital, has given this phrase considerable personal attention during his 26 years experience with individuals facing imminent death during his career as chaplain in various institutions. His thoughts, as expressed to us, show the amount of contemplation he has given to this problem of "Death with Dignity".

Although Rev. Striffler realizes and understands that to the entire medical force of the hospital death becomes an enemy that must be overcome at any cost, he feels that there is a point beyond which the treatment which extends the life of the terminal patient should be discontinued so that the patient can die in peace and, if possible, without pain. To keep a person "living" by means that are extraordinary when there is no hope for recovery, is improper to Rev. Striffler. This opinion is shared by a majority of the clergy and is supported officially by documents issued by the hierarchy of various Christian denominations.

Terminal patients should be told the truth of their condition. Rev. Striffler's experience shows that it serves no useful purpose to hide this information from them, and that this knowledge makes it much easier for the patient, his family and his friends to relate together bravely, even with this frightening specter in the background. To pretend that the patient will become better again when the opposite truth is known is a farce and is deceitful.

As stated before, this was a thought-provoking program. We thank Rev. Striffler for speaking to us and we thank Bob Armstrong for making this program possible. It was pleasing to see the large attendance at this program.

September 11, Program - Dr. Robert J. Barry will speak to us regarding "Venereal Disease". Dr. Barry graduated from the University of Iowa in 1973 and now practices in Cedar Rapids.

October 2 - The installation of new officers will take place on the evening of October 2 at the annual dinner meeting. We are bringing a special speaker, Dr. Wilbur Schaeffer PhD, from Kansas City for this program. As noted in the District convention brochure, "Dr. Schaeffer is a noted authority on nuclear energy and the energy crisis. His forte is spicing the problems and opportunities of the day with delightful humor".

Dr. Schaeffer spoke to the Kiwanis district convention and everyone at the convention was tremendously impressed by his presentation. We are contracting to bring him here at considerable expense but we feel that this terrific program will be worth the cost.

The meeting will probably be held at the Longbranch supper club, but the final arrangements have not been made yet. Be sure that you and your wife reserve this evening for what plans to be an exceptionally fine evening.

Guests - Ed Sears guest of Gene Young; Craig Anderson guest of Kim Stevely; Jim Nichol guest of Rick Stewart.

Anniversaries - Jim Rasley 1947; Pete Bailey 1972.

Membership Welfare - Howard Smith has survived Dr. Rush's reports and will be back with us next week.

Bob Butterfield, Editor

September 11 Program - Dr. Robert Barry, M.D. presented the topic "Venereal Disease" at last Wednesday's meeting. Dr. Barry, a recent graduate from the University of Iowa Medical School and a native of Cedar Rapids, now specializes in the practice of Dermatology here in his home town.

The problem of venereal disease is becoming serious throughout the country and that includes Cedar Rapids. Several times during his presentation, Dr. Barry used the word "epidemic" to describe the problem. The number of cases has increased from 127 in 1973 (year ending August) to 220 in 1974 with only an estimated 25% of the cases being reported.

Dr. Barry then went on to describe the various types of venereal disease and the problems that the health officials are encountering in the areas of prevention and treatment. One important point mentioned was that the age of the victims of these diseases has been dropping steadily until it is common for 12-13 year old children to require treatment.

Again, we thank Dr. Barry for this interesting program and we thank Bob Armstrong for bringing this program to us.

September 18 Program - Barron Bremner, Coe College Athletic Director will present a program dealing with athletics at Coe College. It is noteworthy that as wrestling coach at Coe, Mr. Bremner has compiled a Midwest Conference record of 117-6-1. I suppose we will have to allow time on the program for rebuttal from Orrie Lawrence.

September 25 Program - It seems as though all I am writing about are the programs, but on September 25, Dave Stanley, Republican candidate for U.S. Senate will speak to our club. So, if any of you wish to invite guests, I thought it would be a good idea to give you two weeks notice.

October 2 - The annual installation of officers will take place on October 2 at the Elmcrest Country Club. As mentioned before, we have contracted for a special speaker that evening and have planned a big evening for members and their wives. We are selling tickets ahead of time for this event and you will be contacted to determine if you and your wife will be attending. The following men have "volunteered" to sell the tickets and if, by chance, you are not contacted, you can obtain your tickets from one of these gentlemen: Gene Young, Bob DeMeulenaere, Jim Downing, Wally Rapp, Jerry Baner and Ken Hunter.

Good News - Good news for literary lovers - Lee Taylor erstwhile songster will become editor of the chronicle beginning October 1.

Anniversaries, Birthdays, Guests, Welfare - No anniversaries, no birthdays, no guests and everybody feels good (before the slide show that is). Howard Smith was back again, thanks to the learned Dr. Rush.

We all were sorry to hear that Russ Landis is in St. Luke's Hospital. We hope that his recovery is swift and complete.

Officer Training - I understand that after last week's meeting, V.P. Charlie McIntyre has enrolled in an extension course "The Care, Feeding and Training of Wildcats" in order to develop techniques of crowd control for the meetings. I think some Karate training would be appropriate too, Charlie.

Bowling Report - Larry Fishwild reports that our favorite bowlers, the Kiwanis Keglers are still going great this season. They need one more regular to field out their team however. Volunteer somebody before you are drafted.

September 18 Program

Coe Director of Athletics, Barron Bremner, gave us sports fans a fresh approach with his unrehearsed speech at last Wednesday's meeting. This approach may have been caused by the fact that his briefcase of "1,000 speeches for all occasions" was stolen from his car on Tuesday night. (Orrie Lawrence--where were you at that time?). The theft was part of a week of bad luck that plagued Coach Bremner beginning with a storm window crashing on his head and culminating with the lunch amongst our rowdy Kiwanis group.

It is policy of the Coe Athletic Department to instruct interested students in all kinds of sports and encourage as many of the students to become involved as possible. Last year, 78% of the men were involved in intramural athletics and about 50% of the women. This year in womens' sports, there will be intercollegiate teams in tennis, volleyball, track and basketball--an extension of the Coe policy for greater participation.

Last year three athletes from Coe were named NCAA All Americans. In comparison, there's been only ten All Americans from Coe in the school's history. Cedar Rapids should be proud to be part of the type of athletic program as directed by Mr. Bremner.

You could even see that staunch Cornell alumnus Dick Landis became a Coe supporter during the speech, or something like that.

September 25 Program

Bob Armstrong has brought us three fine programs and next week's program promises to complete the month in great fashion. Next Wednesday, David Stanley, Republican candidate for U.S. Senate will speak to us concerning "New Opportunities and Old Responsibilities." This will be a program of major interest to all of the community and you are especially invited to bring guests.

Installation of Officers

Installation of new officers will take place at the Elmcrest Country Club on October 2. The dinner will begin at approximately 7:00 p.m. with a social hour at 6:30. The menu will feature rib eye steak with a price of \$7.50 per person. Plan to be there with your wife for this special annual event and I guarantee you that you will have a wonderful time.

Guests

Bill Logan, guest of Jim Oetkin; Kyle Siewart, guest of Rich Siewart.

Membership Welfare

Bob Rush was absent from the meeting, so we don't know who is sick or who isn't (difficult to tell sometimes). Also, anybody who had an anniversary or birthday is out of luck until next year. Nice going Bob Rush; you sure spoiled it for a lot of nice guys!

Big Brother Program

Next week Mr. Frank Cossie from the national Big Brother organization will be at our meeting as a guest to answer any questions we might have regarding the formation of the Big Brother program in Cedar Rapids. Our club is one of the prime sponsors of this program and Jim Oetkin is organizing a steering committee within our club. If you are interested in becoming a part of this committee, contact Jim.

Inter-Club

Inter-club to Vinton next Tuesday evening for the installation of the new Lieutenant Governor. Contact Ed Colton if you wish to attend.

Pathos

It was kind of pathetic Wednesday to hear one of our more notorious members bragging to everyone that he had two friends and that they would come to the dinner on October 2 if he paid their way. But you know, if you think about it, maybe that is quite a few friends for a dentist to have.

INCORPORATED

WEEKLY NEWS BULLETIN

ROOSEVELT HOTEL WEDNESDAYS 12:10 NOON

Iowa

a place to grow

September 28, 1974

Bob Butterfield, Editor

September 25 Program - David M. Stanley, candidate for U.S. Senator from Iowa gave our club a summary of his position with regards to the responsibilities he plans to fulfill if elected. His discussion dealt with what he considers to be the real issues of this campaign - those issues which concern the people of Iowa:

1. Action from the Federal Government to curb the problem of inflation.
2. Honesty in government - the elimination of the conflict of interest in all phases of the Federal Government including the Federal Agencies.
3. The right to expect that congress will get back to work.

Candidate Stanley related some anecdotes to us about his hike across Iowa, about listening to Iowans throughout the state and about the Iowan hospitality. He feels that we have a right to be skeptical when we hear the promises made by various politicians and that we should look at the past action of the candidates for political office as a measure of their future action. He hopes that the voters of this state will look at his past record when they reach the polls this November.

We thank David Stanley for speaking to us. We all, I am sure, were impressed by the high ethical level of his political speech.

October 2 Program - The big night is almost here. The annual installation of officers, October 2 at the Elmcrest Country Club, Dinner at 7:00.

Board Meeting - October 1, noon, Roosevelt Hotel.

Anniversaries - Major Adney 1970, Bill Chadima 1965, Ken Hunter 1972, Joe Stenner 1972 (previously 1932) Steve Root 1960, and Kim Stevely 1972.

Guests - Bill Logan, guest of Jim Oetken; Kyle Siewert, guest of Rich Siewert; Howard Huston guest of J. Stenner; B.D. Sullivan guest of Ernst Kosek; Max Stanley, guest of Joe Power; Russell Kuapp and Arvin Wasta, guest of Clyde Sanborn; Mrs. Grant Williams, guest of Grant and the Armstrong contingent - John Miller, Jim Miller, Al Peremsky and Don Weidt (wonder who was watching the store?). Frank Cossie was the special guest of Jim Oetken following an earlier meeting with some of the club members regarding the Big Brother program.

New Members - New members Bill Riley, Bill Widas and Don Davidson were formally inducted into the Kiwanis Club.

Sad Note - President Landis made one of his most enjoyable speeches of the year when he reminded us that this was the last meeting he would conduct as president. He thanked all of us for making the past year what it was and that we certainly deserved all that we got. We are going to miss Old Dick, but we hope that this change brings a little more decorum to the raucous meetings of the past.

However, I know that I express the thoughts of many (some?), (any?) of the members when I say THANK YOU PRESIDENT DICK LANDIS - YOU'VE DONE A _____ JOB!
(Each member should fill in the blank with the word he feels is most appropriate.)
I personally would use the word "terrific".

Adios - As in all things, you can let something deteriorate only so long before it must be regenerated or rebuilt. It looks like in the bulletin business, this deterioration period time span is about one year in length. For this reason, it is necessary that this bulletin be resuscitated after a years inundation by yours truly and brought back to the higher plane of reporting and editorializing of previous years. Therefore, next week, at popular demand, Lee Taylor will begin as editor to accomplish this goal - I wish him luck.

Iowa
a place to grow

Wednesday, October 9th

Bob Butterfield, second vice president in charge of vice and program chairman had a super program in Mr. Jim Goodwin of the Iowa Highway Commission. A former publisher and Colorado Tourist Commissioner, Jim brought us a program on "Boogy Traps." This dealt with construction on major highways and how they can become dangerous upon leaving the roadway and striking guard rails, trees, rocks, bridge supports & lightpoles. As he states, it is a good idea to write down places and obstacles and report them to the Highway Commission. Jim also stated that bids on construction projects are running 42% above anticipated rates and also that the state has the same tax on gasoline now with 55 cent gas as when gas was priced at 29 cents.

New Officers

Installed as officers for 1974-75 by Perry Hummel of Vinton in a very elaborate and pomp and circumstance manner were:

President - Duane Anton
1st Vice President - Charles McIntyre
2nd Vice President - Bob Butterfield
Secretary - Robert Dye
Treasurer - Ken Holvenstot

Next Meeting Oct. 16 - Back To The Montrose

Bernard Grahek, Associate Administrator at Mercy, will bring us an up-date on construction at Mercy Hospital.

October 23 Program

Bob Bergstrom of the Federal Mediation and Conciliation Service, will bring the program on union management relations.

BULLETIN REVISIONS

Secretary Robert Dye made mention that the back side of the bulletin is ready to be reprinted and that if any member wishes a change in address or phone # to please call him at 363-9667.

Rumors Picked Up On The Watts Line:

A lady went next door to visit her lady friend. She found her very unhappy and in tears. She asked, "What is the matter?" Her friend replied, "After twenty years of marriage, I just found out that the Kiwanis Club does not meet every night."

October 23rd

The program was provided by Mr. Bob Bergstrom of the Federal Mediation Board. This is an independent agency of the Executive Branch of the Federal Government. Bob moved to Cedar Rapids from Charlotte, North Carolina 4 and 1/2 years ago and with him came that southern drawl from Louisiana. There are 275 mediators employed in 77 cities around the good old U.S. of A. with 3 men located in Cedar Rapids. We have no labor problems!! From your questions and his answers, it would seem to me that they may as well put a saddle on a fence.

October 30 - BACK TO THE MONTROSE

Ron Martin - manager of the IBM office in C.R. - will bring us a program entitled "The Art of Computers".

Guest This Week

Eric Sagerholm was the guest of Duane Anton.

We welcome Dale Joseph from Battle Creek, Michigan - a Kiwanian with 14 years to his credit.

Coming Program

Bob B. reports that he has arranged for the choral group from Kennedy High School to present a program to us in December.

One of our noted TV celebrities was asked what he'd do with Red China. He said he'd put it on a purple table cloth.

Picked Up On The Watts Line This Week:

When Jim Oetken and Duane Anton were preparing to leave for the interclub meeting this last week, they came out of a tavern to face a clock that read 12:00 o'clock. They began arguing if it was 12 noon or 12 midnight. They asked Ed Colton who happened to be passing by. He said he didn't know, as he was a stranger in the neighborhood.

"BACK TO THE MONTROSE"

All this month

This weeks meeting:

The president of Cornell College, Mr. Secor and a former Kiwanian from Penn. and North Carolina brought us a fine program on the Education System in our society. He stated we are on the border line of losing our private schools and that the private liberal arts colleges are in serious financial trouble. Their problem is inflation and that seems to find its way into many of our vocations. When we compare \$4,000.00 to a private school and \$1,000.00 to a state school, we can understand their recruiting problems but here are a few things they have to offer.

1. Individual initiative and volunteerism
2. Free to do experiment and change
3. They have morally committed to the students as well as dedicated
4. They teach young people to stand for something---to encourage them to stand for their beliefs
5. A close student - faculty relationship
6. The freedom of government control

Coming attractions!!!

November 13 - Harold Roberts, Kirkwood Athletic Director
November 20 - Dr. Bill Davis, The Right To Life
November 27 - Bill Jameson, Traveling Radar
December 4 - Grant Williams, Pictures of Tibet
December 11 - Lee Taylor, Exploring

"BACK TO THE MONTROSE"

(Thats a title of an old movie)

Wednesday November 13th

In the long line of fantastic programs Bob brought us another.

Brother Bob, blessed by bad behavior, brains, bewildering, bubbling, boisterous bent body born by burnt bramble bushes, babbled boo!!! (To girls in our club) Our program was Harold Roberts Athletic Director at Kirkwood College. A graduate from Iowa & formally from Mankato State and from Worthington Minn. & new to our community as of 1974, stated the enrollment is now 3,000 students. The tuition of \$425.00 compared to the University of Iowa at \$1,300.00 is a real savings to our young people. Kirkwood belongs to the State Jr. College Athletic Association & participates in five major sports.

1. Baseball
2. Tennis
3. Golf
4. Basketball
5. Wrestling

No scholarships are given at Kirkwood but the college will help young people find jobs.

Next Week November 20

Dr. Bill Davis, the program entitled "The Right To Life".

Inter Club In Marion!!

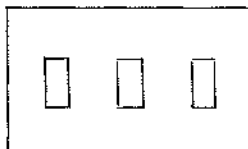

Thursday, November 21st, 6:05 p.m. Suburban Restaurant.

Guest this week:

Our permanent (guest) Dale Joseph, Battle Creek Mich.

Bowling report:

This was passed on to the club last week as the official bowling ball of our Kiwanis Bowling Team.

Note: A 2 finger model is available at a slight increase in price.

Picked Up On The Watts Line This Week:

OUR PROGRAM LAST WEEK

Dr. Bill Davis a graduate of Wartburg College and the University of Illinois, brought us a program on birth control and abortion.

There were 2 million abortions in the U.S. last year. The law made abortions legal in 1971 on or before the 24th week of pregnancy.

He is in favor of abortions if it is life threatening. There are no abortions preformed in Cedar Rapids.

On Birth Control - from least to most effective in %.

1. Abstain - rhythm 1 in 3
2. Mid cycle 1 in 4
3. "Pulling the plug" 1 in 5
4. Foam - prophylactics 1 in 12
5. Mini-pill 1 in 30
6. I-U-D's 1 in 100
7. The pill 1 in 500

Sterile on men on vasectomy 1 in 200. Having operation reversed 60%-good

Sterile on women or tubal ligation 1 in 300. Having operation reversed 90%-bad
(So there is no 100% sure birth control)

NEXT WEEK -DON'T YOU DARE MISS IT!!

The fantastic Bill Jameson and Sgt. George Farris will present the program on "Moving Radar" or "They got you coming or going". We will have a demonstration and ride in a bus and watch it work.

MARK DOWN THE DATE - RIGHT NOW

December 11th, 160 students from Washington High School band and chorus and our ladies are invited to attend.

PICKED UP ON THE WATTS LINE THIS WEEK:

One of our members has a problem.... His mother-in-law needs a transfusion and we're asking anyone who can tell us where to find a saber toothed tiger.....

(Or Where To Eat & Watch The President Get Cut Down)

11/27/74

NEXT WEEKS PROGRAM - "INCA Country"

Grant Williams will provide the program on part of his world travels in a Datsun.
(I wonder if they really float?)

DON'T forget the 11th of Dec. and Washington High School

BOARD MEETING

December 10th at the Montrose. This is a very important meeting as we need approval of the new budget. (There were not enough board members at the last meeting to have a Quorum)

THIS WEEKS PROGRAM

Bill Jameson, thru his knowledge of Law Enforcement, (that is, he has spent many hours behind the bars!!) The program entitled Moving Radar was presented by George Farris. There are 1400 miles of roads in Linn County of which 300 are paved and 1100 dirt. A car may be picked up at about 1/2 mile away and a truck picked up at 3/4 to 1 mile away. The radar can tell the speed of the radar unit, the speed of car or truck coming or going and the hand unit can control 360° or a four way intersection. For those that missed the bus ride, what can we say, that's a great piece of equipment and a tough one to fool!

Guest this week:

Don Petersen, Bill Ensign, Allan Thompson, Joe Enzler - from the Metro Club.
Ed Jarvis - from the East Side Club and Charles East - from Duluth Minn.

PICKED UP ON THE WATTS LINE THIS WEEK:

One of our Doctor members was overheard to say that he was going to have to raise his fees-----what with golf balls going up almost double!

HAVE A GOOD THANKSGIVING!!

Your Most Humble Editor

Lee Taylor

MONTROSE HOTEL WEDNESDAYS 12:10 NOON

Iowa

NEXT WEEKS MEETING - WILL BE AT THE MONTROSE

(And Don't You Dare Miss It!)

12/18/74

As the editor of this fine script I might say that I was always on the Deans list in school. Of course, the Dean kept two lists!

ANNIVERSARY'S THIS WEEK:

Alan McIvor - December 4, 1972 (That name rings a bell from last week)

A SAD DAY FOR KIWANIS MEMBERS:

Frank Cosgrove passed away this past week. Mail may be addressed to 611 Valley Brook Drive, S.E.

NO BOWLING REPORT:

(Did our team not show up?)

THIS WEEK'S PROGRAM - by Robert B.

You really out did yourself this time Bob! That Washington High Young People Group did a fantastic job of entertaining the men and their lady guests.

NEXT WEEK'S MEETING:

Wednesday, December 18 at 12:00 NOON. This program will be presented by 7 young people who are Presidents of Exploring Posts in and around Cedar Rapids. Lets have a good turn out for them.

STARTING JANUARY 1:

We will conduct a contest in the bulletin each week, giving a few details about one of our members. The first person who calls the editor & correctly identify's that person will receive a prize, a free lunch or some item that the Board will select.

PICKED UP ON THE WATTS LINE THIS WEEK:

One of the educators in the club has only recently been successful in breeding a four legged turkey. We don't know how it tastes yet, because they haven't been able to catch it!
